Taking Messages and Money to Premier Stelmach

As a result of the very impressive rally at McDougall church, where 1300 concerned Albertans turned out to learn more about what is happening to PDD and to voice their concerns,

\$1400 was raised from the bottle drive to donate to the government to help offset the deficit.

And there were several hundred messages in bottles that people brought to the rally that were delivered to the Premier.

Thank you to all who gathered on the stairs of the Legislature on Wednesday, February 10th.
